

CHARLESTON, SC

DUBOSE MIDDLE SCHOOL

JUNE 10TH - 12TH

The Action Based Learning National Summit is a professional development event designed to empower educators with cutting-edge strategies to enhance student engagement, boost academic performance, and reduce behavioral challenges. Grounded in the latest research linking movement and learning, the summit explores how active learning transforms education through hands-on, brain-based approaches.

Movement & Academics

Linking content to
movement strategies
to support Math and
ELA

Innovative Ideas & Strategies

Learn how the brain learns
best and how traditional
classrooms might be a thing
in the past.

SEL Health

Managing stress, 3L
Struggling students.
SEL focused curricula
to encourage
students challenge
themselves

Attendees receive 18hrs Professional Development
