

CLASSROOM MANAGEMENT "MAKE IT STICK"

**WHAT EDUCATORS NEED TO KNOW TO IMPROVE LEARNING
ACCORDING TO SCIENCE!**

REGISTER HERE!

OCTOBER 16TH | 6:00 CT / 7:00 EST

Are you ready to create a positive and productive learning environment that lasts beyond the first two weeks of school? Join our complimentary webinar to gain valuable insights into the neuroscience of learning and effective classroom management strategies that will help you create a positive educational experience for you and your students all year long.

We'll discuss:

- Why the brain needs to move & celebrate?
- Can we improve the brain for learning?
- What can we do to make learning more effective and successful?

Key Takeaways

- How to communicate classroom management strategies that "will stick."
- How to create a brain-friendly environment, according to science?

LAURA KLUBERT
Trainer, Action Based Learning
